## ATTACHMENT

Optivon, Inc. (OPTIVON) has established operating procedures for the compliance with the Federal Communication Commission ("Commission") regulations regarding the protection of consumer proprietary network information ("CPNI").

- OPTIVON has implemented a system whereby the status of a customer's CPNI approval can be determined prior to the use of CPNI.
- OPTIVON educates and trains its employees regarding the appropriate use of CPNI. OPTIVON has created an employee manual that provides all related CPNI guidelines. Each employee is required to read the manual and sign a document stating he understands OPTIVON's policy regarding CPNI and will abide by the policy. OPTIVON has established disciplinary procedures should an employee violate the CPNI policy and procedures established by OPTIVON.
- OPTIVON maintains a record of the sales and marketing campaigns performed by its and its affiliates' where customers' CPNI are used. OPTIVON also maintains a record of any and all instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to CPNI. The record includes a description of each campaign, the specific CPNI that was used in the campaign, and what products and services were offered as a part of the campaign.
- A supervisory review process has been established by OPTIVON regarding compliance with the CPNI rules with respect to outbound marketing situations and records of OPTIVON compliance are kept for a minimum period of one year. Specifically, OPTIVON's sales force obtains supervisory approval of any proposed outbound marketing request for customer approval regarding its CPNI.
